Welcome to
**Welcome to
church today!**

Pastor James is our speaker this morning

"We saw last week that Jesus told the synagogue audience that He had come with a radical message; an all-encompassing and inclusive message of salvation that is open to all those who believe. Now we're going to see that Jesus stayed true to His word and actually

lived out the hopes of Isaiah 61.

This week we'll be challenged to see with fresh eyes how far the message of Jesus actually reaches."

'The Spirit of the Lord God is upon me, because He has anointed me to proclaim good news to the poor. He has sent me to proclaim liberty to the captives, and recovering of sight to the blind, to set at liberty those who are oppressed, to proclaim the year of the Lord's favour.....'

Luke 4: 18-19

Evening: We are pleased to have Neil Gammon speaking this evening and we thank him for helping out.

"Having a good mind-set like Sgt Pavlov: as Christians we should be aware of the great needs in the

world around us - both spiritual and physical. But it can become a daunting prospect when we consider the sheer scale of need. This may lead to us looking inwardly for answers and actions. This evening we look to God's word for guidance on the matter."
