Welcome to
**Welcome to
church today!**

Pastor James is our speaker this morning

'Today we'll read Luke's account of one of Jesus' most famous discourses. We're going to split this into three parts and call it, "the manifesto of a right-side-up kingdom." In part one we'll see that when we follow Jesus our hopes are relocated from this world to the next, which means that what we value radically changes. In this section we'll see four values that those who belong to the right-side-up kingdom have.'

This evening: We are pleased to welcome back Jim Spencer from Stowmarket Baptist Church. He writes about his message as follows:

'You know blood is truly an amazing thing. Martin Luther said, "Blood alone moves the wheels of history." For human beings, healthy blood is the very fluid of life, without it we die!

But there is a particular blood that is more valuable than mankind can ever truly imagine; for without it mankind will be eternally lost! And it will be this unique and distinct type of blood that we will look at this Sunday evening.'

All women are warmly invited to join us for **Ladies' Bible Study** on Fridays during term time, 9.30-11am, in the Sunday School hall at church.

We enjoy gathering together to study a passage from the Bible and thinking through how it applies to our lives. We also spend some time in prayer for one another, and of course chatting and eating healthy snacks (OK, so mainly cake, actually). Children are welcome too.

Between us, we are all at different stages in our Christian lives, so there is no pressure to answer questions or indeed speak at all if you would rather just listen. But our prayer is that the 90 minutes we spend together will be an encouragement throughout the rest of the week as we go about our busy lives. Do just turn up, but if you have any questions, please contact Liz Barnard 07801 067268 / angusandliz@btinternet.com or Becky Gifford 07576 220600 / giffordclan@gmail.com.
