Welcome to Church today!

Pastor James is our speaker this morning

“From the challenging interaction with the Pharisees and Lawyers, Jesus moves to open eyes to something really special: *the fear of God*.”

I’m sure your gut reaction is to question, “Can fear ever be a good thing?” But what we’ll find this morning, in Luke 12, is that fearing God is one of the most liberating

emotional responses to truth we could ever have.

Let’s get stuck into this passage to find out what revelation Jesus wants to give us on the matter of fearing God.”

This evening we will be watching a DVD together, as our planned speaker is unable to come.

Do come along and join in a time of informal fellowship together.

For those of you who remember the Thompson family, who worshipped with us here at BRBC in years gone by – Brian passed away on Thursday morning.

Please remember the family in your prayers at this time of loss – his wife Marion, and children Tricia and James and their families. Tricia and Jim & family were members here more recently.

CHRISTIAN INFLUENCE IN A SECULAR WORLD

The Christian Institute exists for the furtherance and promotion of the Christian religion in the United Kingdom and elsewhere. It is a nondenominational Christian charity committed to upholding the truths of the Bible.

Please see the **literature on the notice board** and read how you can make a difference by writing to our MP, Jo Churchill, on important issues that affect our schools and our Church youth groups.

"As part of its British values drive, the Government has proposed sending Ofsted inspectors into churches to inspect youth work."

Men's BBQ – Saturday 15th July - 7:30 pm

We are hoping to have a men's
BBQ on Saturday 15th July;
would you be willing to host?

If you are able to host please speak to Simon Pickering or Andy Medcalf. Thank you!
