# Welcome to Church today!

Pastor James is our  
speaker this morning

"This morning we get to witness and  
celebrate 5 baptisms!

We'll have a chance to sing to the Lord  
together, and then I'll give a short message  
from Luke 15 on what it means to be a  
Christian, and then explain what baptism  
really means.

Then we'll get to hear the testimonies from  
each person being baptised about how  
Jesus has opened their eyes to the truth of  
the Gospel!"

**Evening:** We will be meeting to watch a DVD ('Should Christians fear Science?'), and to enjoy fellowship together. Please join us, as we listen to John Lennox, and learn more to help us in our Christian lives.

*1 Peter 3:14-16 "Have no fear of them, nor be troubled, but in your hearts honour Christ the Lord as holy, always being prepared to make a defence to anyone who asks you for a reason for the hope that is in you; yet do it with gentleness and respect, having a good conscience, so that, when you are slandered, those who revile your good behaviour in Christ may be put to shame."*
