Church today!

“We know that the Father has reconciled us to himself in the person of Jesus, through the power of the Holy Spirit. What a wonderful truth?! We have been rescued by his grace. But you and I both know that our salvation has not yet been fully realised - even though we’re redeemed, we still deal with sin. And that’s true of the world around us too - we see and experience the restoration Jesus has brought about, but deal with the messy reality of sin.

This morning, in Luke 17, we’ll find Jesus explaining why this is the case and then give us 5 principles on how to live in this stage of history.”

Evening: This evening we will be watching a DVD by Alistair Begg as we join in fellowship together.

Text: Ephesians 4:14-16

How important is it for believers to be involved in a local church? Teaching from Ephesians 4, Alistair Begg shows that it is the only way to grow to Christian maturity. We develop a stable understanding of doctrine and grow in Christ likeness as we hear God speak through faithful preaching. The unique, supernatural nature of our fellowship shines forth when everyone joins in for effective Gospel ministry.

'Sharing the Love of Jesus'

Town Pastor Sunday – Sunday 17th September

Today we give thanks to God for the work of Town Pastors in Suffolk and Norfolk.

Town Pastors have been on the streets of Bury St Edmunds since May 2008. Two pairs of Town Pastors patrol in the club/bar areas of the town centre most Friday and Saturday nights between 10.00pm and 4.00am. Town Pastors seek to be a positive presence on the streets, available to offer support to vulnerable people and de-escalate potential trouble. Town Pastors are supported in prayer while they are out on patrol.

Please pray for Bury Town Pastors...

- For the Town Pastors as they walk the streets on Friday and Saturday nights
- For opportunities to show the love of Jesus to the people they meet
- For more people to apply to be Town Pastors and Prayer Team members
