Pastor James is our speaker this morning

The Reformation was a spiritual renewal that swept across Europe in the 16th Century. It was about a rediscovery of the core truths of the Christian faith; it was about people standing up for what really matters, and it was about a movement that still matters today.

This week, we're going to explore the Reformation's rediscovery of the Bible's authority over us. We'll study through Galatians and come face to face with a simple but vital truth about God's Word."

TODAY, 4.30pm here at BRBC - Everyone is welcome!

Please bring a main or side dish + a dessert to share (or one thing if there is only one of you!) The oven can be used in the kitchen, so dishes can be hot or cold.

Kids, Craft and Carols

Sunday 10th December SAVE THE DATE!

Kids, Craft and Carols is one of our Christmas outreach events, with the aim of welcoming local families into the church to sing a few carols; do some craft; hear a short talk from James; and enjoy a tea together.

It's a relaxed event, so great for people who wouldn't normally go to church. The event is being held in the church building here at BRBC, on Sunday 10th December from 4-5.30pm.

Please be thinking about friends / family / colleagues who you could invite along. Flyers will be available shortly. Volunteers will also be needed for **baking, setting up and packing down, music and stewarding, so please sign up at the back of church if you can help out.**
