Loving Jesus together
and helping others
to do the same

TODAY

Morning: Luke - Things Concerning Himself
Speaker: Pastor James / Luke 24:13-49

This morning we will be studying two of the most vivid resurrection appearances of Jesus to his followers. In each appearance Jesus opens up the Scriptures and demonstrates how they speak about himself. In this passage, we're going to see how Jesus taught the Bible and then we'll explore how this should influence how we read/study/teach the Bible.

Evening: Fruit of the Spirit > Patience
Speaker: Video-Alistair Begg / Matt 18:21-35

Bible history repeatedly displays God's patience toward His children, and in Galatians 5:22, Paul included patience as an element of the fruit of the spirit. Alistair Begg discusses the definition, development, and demonstration of patience made manifest in the lives of God's children. By God's faithful pursuit and provision, we are conformed to the image of His Son so that a watching world can see the wonder of His amazing love.

HELPFUL INFO

New Meal Team

As a church community we are called to serve one another. Practically, we can do this by providing meals in times of need; for example, following the birth of a child, when recovering from surgery or when difficult life circumstances arise. We are putting together a list of people to be on a list to be contacted to cook meals when needs arise. If you are interested and would like to be put on the new "Meal Team," please sign up on the notice board in the hallway or contact Lorraine Corrie.

Fire & Health Safety

Just by way of a reminder, the first aid kit is located on top of the filing cabinet in the church office, along with the defibrillator, accident forms and the folder to file them. Please make sure accidents & incidents are recorded and dealt with correctly. Stuart Hitchcock and Richard Martin are the designated first ports of call for first aid on a Sunday morning. We will be organising some training in due course to make sure that as many of us as possible who serve in church have some first aid training.

We also have a fire policy, details of which can be found in the folder in the church office. There is a fire escape document displayed on the notice board and as ministry leaders please make sure you are aware of this. The meeting point, should we need to evacuate the building is on the grass the other side of the garage.

UPCOMING EVENTS

An Evening with Ray Evans

On April 15th, at 6:30pm we are welcoming Pastor Ray Evans, author of "Ready, Steady, Grow," to come and speak to us as a whole church family about church growth at BRBC. We recognise that church growth is a gift and work of God that brings complexities which can be hard to embrace. Ray is going to come and help us think through church growth in a healthy and biblical way. We would love if as many people as possible were there!

Mens' Breakfast

All men are invited to the Mens' Breakfast on the 21st April from 8:30am-10:00am at BRBC. We'll be welcoming Steve Nowak from Stowmarket Baptist Church as our speaker. Steve will be speaking on our theme this year "Not of the world, but sent into". Steve spoke to us at Theology on Tap a while ago sharing his powerful testimony with us. All are welcome! Breakfast is free and we ask for a donation towards the work of West Special School. More information on West can be seen at www.westspecialschool.org

Caring For Life (Sunday Evening)

On April 22nd at 6:30pm, we are welcoming Tom Saw, who works with Caring For Life, a mission organisation we support as a church. He's coming to update us on what CFL has been up to and their hopes and plans for the future. We will get to hear about CFL during our normal Sunday Evening service. Looking forward to seeing you there!
