Evening:
Freedom from Fear of Man
Speaker: Bryan Hassler / Gal 1:11-2:10

This morning we're beginning our new series in 1 John, called "Uncommon Community." Our aim is to uncover what it is that makes the church community different, marked, distinct, and uncommon. We'll begin by studying the first 4 verses and asking ourselves: What is it that marks the uncommon community? What is it that makes the church community uncommon?

Have you ever wanted to say something, but couldn't get the words out to speak? Or maybe you've felt afraid at the idea of telling someone the truth. For many of us, this fear finds its peak at the thought of sharing the gospel. It's the kind of fear that keeps us silent, as friends, family members, and co-workers continue on without the good news of Jesus Christ. In the book of Galatians, Paul offers us a much-needed look into this fear, but more importantly, he offers us a way out.
