

Pastors: James Martin & Peter Mason contact@brbaptistchurch.com

TODAY

Morning: Running from Grace
Speaker: Pastor James / Jonah 1

Morning: The Lifted Burden
Speaker: Bryan Hassler / Titus 2:11-14

God's call on Jonah's life to go to Nineveh was not what Jonah wanted. In Jonah's mind, God's call would ruin his life and so Jonah runs away from being part of God's purposes in the world. Is it possible that we too run and hide from God's life-giving purposes because we're afraid of our lives being ruined? This morning we'll study Jonah 1 and see that God's call over us - to know Him and then participate in his purposes in the world - both ruins our lives and then give us and others life.

In today's church it has become easy for us to read our Bibles and end up with checklists full of things that we're now expected to do. For many of us, our focus is then drawn to the massive gap that exists between who we are and who we should be. What's worse is that these demands in themselves become our motivation to fulfill the demands in an endless cycle. But is this how it should be? Join us this evening to find out the biblical answer for motivation in the Christian life.
