Morning: The Mindset

Speaker: Pastor James / 2 Cor 8:1-15

Evening: True Freedom Trust

Speaker: Rob Wood

This morning we'll have a look at Paul's words to the church in Corinth about their financial generosity. The Corinthians seem to be spectating everyone else's generosity; there's the intention to be financially generous but no action. So, Paul's encouragement to them is to begin thinking properly about their financial giving. Let's dive into this passage and find out what God has to say about our generosity.

Tonight, we're welcoming Rob from True Freedom Trust. Rob will be sharing his story and teaching on how Christians and churches should be thinking about same-sex attraction. *"Our mission is to teach and encourage individuals, their families and friends as they deal with issues around same-sex attractions and gender identity, working in partnership with Christian leaders and local churches to promote a biblical pattern for gender and sexual relationships."*
